StrawHat Codes for Labels

The upper right-hand corner of each profile lists the performer's day, time, and type of audition along with coded information supplied by the applicants.

Performers are asked: Would you consider accepting
An "Unpaid **Apprenticeship**"
Or
An "**Internship** involving crew work as well as performing"?

The **positive responses** are coded:
- **A**   YES to Apprenticeship
- **I**   YES to Internship

Related Skills are self-rated by applicant as "Excellent."

S	Sets	**M**	Stage Management
L	Lighting	**C**	Costumes
B	Box Office	**P**	Props

If applicable, the other two notations are:
- **D**   Dancer/strong dance background (10 years or more in Ballet and one other dance discipline)
- **&**   Instrumental music skill (10 years or more)

For example, a resume coded AIMCD indicates an applicant with a strong dance background who would consider an Apprenticeship or Internship and has excellent stage management and costuming skills.
